Meet the new Club 14 Manager

Some of you may have already met Jason Wallace, Club 14's new manager. Born in Prince Frederick, MD., and being a "Navy brat", Jason has resided in Taiwan, Guam, San Diego and Hawaii. He attended Mokulele Elementary School on Hickam AFB and Aiea Intermediate and Aiea High School.

Jason moved to Johnston Island in July 1995 and worked for Raytheon Services Nevada as a cook. In April 1997, he became the Club Manager of "The Waikiki", a bar and restaurant located on the waterfront of Johnston Island. Within two years Jason's area of responsibilities included "The Waikiki, The Tiki, The Country Store

and the Liquor Warehouse."

He remained at Johnston Atoll until September 2003 when his contract ended. He returned to Hawaii and joined Coast Guard MWR. Jason looks forward to upcoming changes Club 14 will be making. "We are excited about completing and getting our new menu out. One of my goals for Club 14 will be to start a dart league and have pool tournaments. I would like to see more members of the Coast Guard participate in future events. Come on over and hang loose!
